Parents Information Evening

An information meeting is taking place on 23rd May at 6.00pm for the parents of children who will be joining us in Reception in September 2022.

May Day Celebrations

Our May Day celebrations are taking place on **23rd May 2022 at 1.30pm**, weather permitting. All parents are invited to attend.

Class 2 Residential Trip to Everdon Outdoor Learning Centre - 6th to 8th June 2022

In preparation for the Class 2 residential trip that is taking place 6th to 8th June 2022, we are holding an Information Evening for parents on **24th May 2022 at 6.00pm**. Children from Class 2 are also welcome to attend.

SATs Weeks

KS2 SATs are taking place w/c 9th May and KS1 SATs are taking place w/c 16th May 2022. It is essential that all children are ready to start promptly each morning so please ensure that that they arrive at school in good time. Many thanks.

Class 1 Trip to Mini Meadows Farm

On 28th March 2022 the children in Class 1 visited Mini Meadows Farm, their topic for last term being Animal Allsorts. They saw the sheep, pigs, goats, llamas, horses, donkeys, alpacas, geese and chickens and learnt about what food and products farm animals produce. They even had the opportunity to bottle feed the baby lambs!

Active Learning Day

On 24th March 2022 the school took part in an Active Learning Day. The aim of this initiative is to encourage the children to be more active in lessons and in life. In the afternoon the children ran and walked laps of the large playing field and the Reception children completed laps of the playground on balance bikes. Northamptonshire Sports also brought two rowing machines into school so Class 3 children could compete in rowing races. The weather was glorious and the children enjoyed the opportunity to take part in additional exercise and have fun. So many of you were kind enough to sponsor your children in aid of Leukaemia Care this, along with the money raised in sponsorship by John for running a half-marathon, raised over £1800.00 for this great charity. Thank you for your support, you are amazing!

Mummifying fish

Class 3's topic last term was Ancient Egypt. They learnt about their lives, their culture and their beliefs. To bring this to life, the children have been mummifying fish. They gutted the fish, packed them with salt to preserve them and then wrapped them in bandages. The fish were then buried.

Diary Dates:

- 2nd May 2022—School Closed for May Day
