

# The Bramptons Newsletter

Dear Friends, This afternoon I have been looking at the compiled results of the Parents' Survey which we sent out. The results were even better than the last survey we sent you! The positive things you shared about the school were such a pleasure to read. It is great to hear that you hold our team in such high regard. We feel the same way about you! You also pointed out some areas we could improve, and we welcome this positive and constructive help, it's how we continually improve.

I would like to thank all of you who contributed to our fund raising efforts for Leukaemia Care. Between you and my friends and family, we managed to raise a staggering £1950. This, when added to the £1983 from the previous year totals a jaw dropping £3933 for Lukaemia charities. Thank you all so much. John

## Class Photographs

Please note that Class photographs are being taken on 14th June 2022.

## Reception 2022

Plans are well underway to welcome the children who will be joining us in Reception in September 2022. We are holding induction sessions on **16th June (9.45am - 11.15am)**, **21st June 2022 (1.30pm - 3.00pm)** and **4th July 2022 (9.45am - 11.15am)**.

## Transfer Day

Transfer Day is taking place on Monday **4th July 2022**. Children who are due to move up a class in September will spend the morning in their new class with their new Teacher. Year 6 children should have received information concerning their secondary schools transition day(s).

## Reception Stay and Play Session

On **28th June 2022** we are holding a current Reception Stay and Play session 9.00am to 10.00am. This is a chance for parents (one parent per child) to come into school with their children and play with them in the school environment. There is also an opportunity for parents to speak to Mrs Tanser, who will be their child's Teacher next year. If parents are unable to attend we are happy for a grandparent or other family member to attend in their place.

## Summer Fete 2022

The Summer Fete is taking place on **9th July 2022 11.30am to 2.30pm**. There will be a variety of stalls, a bouncy castle and food and drink will be available. There will also be a raffle, face painting and games for the children to take part in. Many thanks to the Bramptons Stars for organising the fete and we hope that you are able to attend. Your continued support of the school's and Bramptons Stars' fundraising activities is greatly appreciated.

## Sports Day

Sports Day will be taking place on **5th July 2022**. In the morning the children will be taking part in a number of inter-house sporting activities in the playground and in the afternoon (**1.30pm**) Sports Day races will take place on the playing field. Although we are unable to invite parents to the morning events, you are very welcome to join us in the playing field from 1.30pm. When the races have finished the children can go home with you. We will take them back to school and you can collect them from there as usual.

## Year 6 Bikeability

Please note that Year 6 Bikeability is taking place on **13th and 14th July 2022**. If your child is participating you will need to bring their bike into school on the morning of 13th July and collect it after school on 14th July. Many thanks.

## Annual School Reports

Annual School Reports will be sent out on **15th July 2022**. There is a Parents drop-in session arranged for Monday **18th July 2022 3.30pm - 5.00pm** if you would like to discuss your child's report. As the name suggests, there is no need to make an appointment.

## May Day 2022

Thank you to everyone that joined us for our 2022 May Day Celebrations. It was great to be able to return to this fantastic Bramptons tradition after having missed the last two years. We hope you all enjoyed it as much as us.

### House Awards

On **18th July 2022** all children will receive a house award (trip or activity) depending on the position at which their house finished for 2021/22. The winning house will go to The Hub for the morning, details of the awards for second, third and fourth place are yet to be finalised. You will receive further details nearer the time.

### End of Year Assembly

The end of year assembly will take place on the last day of term (**Thursday 21st July 2022**) at **1.30pm**. Parents are invited to attend, and children can leave with them once assembly has finished.

### Punctuality

We still have a lot of children who are not arriving at school on time. School begins at **8.50am** prompt and it is difficult for Teachers to start on time if there are children still arriving. We understand that sometimes this is unavoidable but would ask that every effort is made to ensure that children arrive at school on time.

### Year 6 Leavers

An evening event will be held for our Year 6 Leavers on **15th July 2022**. Further details of the arrangements will be sent out nearer the time. We hope also to arrange a fun trip for them .

### Supporting Children with Medical Conditions

For children with medical conditions we ensure that Care Protocols are put in place. We agree protocols with parents and they make sure all members of staff provide consistent and appropriate care to the children concerned. These are reviewed annually and we ask parents to let us know if their child's condition or medical needs change.

If your child has a condition and you feel they would benefit from a Care Protocol please contact the school office. Thank you.

### Little Wandle Phonics Scheme

From September 2022 we are required to introduce a DfE approved phonics scheme. The cost of purchasing the scheme and books is significant and we were struggling to fund this from our already tight budget. Luckily, The Brampton Stars have agreed to meet 50% of the costs and we are extremely grateful. Without this contribution we would have had a huge problem meeting the cost. Thank you to the Bramptons Stars and everyone who has participated in their fundraising activities. THANK YOU.

**respect** **courtesy** **honesty** **loyalty** **perseverance** **compassion**

## Class 2 Trip to Everdon Outdoor Learning Centre

Class 2 have been on their residential trip to Everdon Outdoor Learning Centre. They had an amazing time making shelters for woodland creatures, minibug hunting, den building, fire lighting and toasting marshmallows, pond dipping and lots of walking. They have all come back tired out but having had a great time, including Mrs Cookson and Mrs Cowap.

### Diary Dates
